Co-sponsored by State of Delaware, Delaware State University, Delaware

The second Kent County Science Fair is open to all Kent County students, grades 5 - 12, who attend a Kent County public, charter, or private school, as well as home schooled students residing in the county. In order to compete in the fair, student projects must be original and by the student. They can be individual or team (no more than 3 members). There is no limit on the number of teams per school, but students cannot be members of more than one team. Team projects will be evaluated using the same rules and judging criteria as individual projects.

The Kent County Delaware Science Fair will follow Intel(R) International Science and Engineering Fair (ISEF) Rules. All projects must adhere to the Kent County Delaware Science Fair's Ethics Statement and to local, state, and U.S. Federal laws, regulations and permitting conditions. Rules and Regulations can be found at Kent County Science Fair website, www.desu.edu/kentcountysciencefair [1].

Guidelines, complete application with student's, parent's and Adult Sponsor's signature and all required documents may be downloaded here (3). Additional forms might be required depending on the nature of your research. Included is a summary. Refer to ISEF for more details.

Mail completed application packet to Ms. Jacquelyn Jones, Delaware State University, 1200 N. DuPont Highway, Dover, DE 19901. All participants must adhere to the Kent County Delaware Science Fair's Ethics Statement.
