The business and affairs of the University are governed by the Board of Trustees.

The Board of Trustees has all the powers accorded it by Title 14, Chapter 65 of the Delaware Code. The Board consists of 15 members whose appointment or election is provided for in the Delaware Code, and the governor of the state and the president of the University, both of whom shall be members of the Board, ex officio, with the right to vote.

Eight of the trustees are appointed and commissioned by the governor for a term of six years. Two such trustees will reside in each county of the state. Seven of the trustees are elected by a majority of the whole Board as constituted. They are elected for a term of six years. One such trustee will reside in each county of the state.
