Incoming Freshmen Checklist

Are you an incoming freshman majoring in STEM (Science, Technology, Engineering, and Mathematics)? Here is a helpful checklist to make sure you have registered and applied for all available resources and opportunities as you begin your studies at DSU.

DSU Application

Step 1 - Apply to Delaware State University. You must submit SAT/ACT scores and your high school transcripts. Make sure to declare you major on your application.

http://www.desu.edu/apply-now [1]

Apply for Financial Aid

Step 2 - Apply for financial aid. You and your parents must complete the ***F**ederal **A**pplication for **S**tudent **F**inancial **A**id* **(FAFSA)**. The Financial Assistance Office can assist you.

Register for New Student Orientation

Step 3 - Find out what it means to be a Hornet. New Student Orientation (NSO) is mandatory for your attendance at DSU. Make sure you register and attend. STEM majors are recommended to attend NSO on June 28-29, 2011. The Admissions Office can schedule this for you.

Register for STEM Training Camp

Step 4 - As a STEM student, you should attend the STEM Training Camp (August 18-23). This *FREE* training camp will give you the skills you need to be successful in your challenging major. Click below for registration form. Email to: mvela@desu.edu [4] .

STEM Training Camp Registration [5]

Apply for Scholarships

Step 5 - Numerous scholarships are available to incoming freshmen. To explore your scholarship options, visit:
