Hire-a-Hornet

Career Services welcomes the opportunity to assist you in your job search and connect you to employers of choice. A new service began July 15, 2015. **Hire-a-Hornet** is an extension of our services that allows you opportunities to network and manage your career pre- and post-graduation. We are excited about the many capabilities that this new system offers our students and alumni. Easy to use and interesting graphics and resources.

Hire-a-Hornet [1] is powered by **College Central Network (CCN)** [1] is an on-line employment service that helps you navigate through the maze of job searches, post your resume, and highlight your credentials. You can:

- Access jobs and internship opportunities posted online specifically for DSU students and alumni
- Access jobs on **Hire-a-Hornet**, a database comprised of thousands of jobs and internship opportunities across the country
- See which companies are recruiting on campus and schedule campus interviews
- Upload your resume for employers to view
- Access quick links that enable you to create a resume, search career documents and review career videos
- Access a full calendar of events as well as see announcements
- Review upcoming Career Fair information
- Connect with Alumni for alumni mentoring
- Employers can schedule campus interviews and register for career fairs

Try our new system now!
