DSU@Georgetown

DSU @ Georgetown

Connected Degree Programs

Delaware State University, in collaboration with Delaware Technical & Community College, offers DTCC students who have earned an Associate Degree, the opportunity to complete a Bachelors Degree in a convenient accelerated format.

Connected degrees that can be completed on the Georgetown campus include:

- Social Work [1] (BSW)

Note: Additional courses may be needed to complete the accelerated degree if transferring credits from an institution other than DTCC.

Convenient Location

For students from Salisbury to Milford, and Laurel to Rehoboth, the DSU location in Sussex County is conveniently located on the Delaware Technical & Community College campus in Georgetown, at the intersection of Routes 113 and 404. DSU offices are located in Room 512 of the Carter Partnership Center.

Directions [2]

Affordability

Students who transfer into connected degree programs receive $1000 per year in scholarship monies and may be eligible for many other scholarships, Pell grants, and student loans. With two years of transfer credit from the community college, and an accelerated course sequence, students can complete their Bachelor's degree affordably.

Tuition and Fees [3]

Dedicated Faculty

Accomplished faculty serve the Georgetown location to help our students excel academically and to perform professionally upon graduation.

Make Your Mark at DSU!
