

## **Dr. Claibourne Smith Honored with Resolution and Reception**

Posted: January 21, 2010

The DSU Board of Trustees unanimously passed a resolution that commended Dr. Claibourne Smith for his 16-month service as the University's acting president.

The board approved the resolution during its Jan. 14 regular meeting, in which they also unanimously returned Dr. Smith to his previous post of board chairman. Dr. Smith stepped down from the board in September 2008 to assume the responsibilities of acting president. He returned to the board on Jan. 10, the date in which Dr. Harry L. Williams officially became the DSU president. Following that board meeting, a reception was held in honor of Dr. Smith in the new Martin Luther King Student Center. Many faculty, staff and students were in attendance and testimonials were given in praise of Dr. Smith's service and dedication as acting president.

The resolution approved by the board read as follows:
