What Are Hornet Days?

Hornet Days are designed to give high school seniors the opportunity to see what it's like to be a student at Delaware State University. Come spend the day with students and visit thought-provoking classes with expert faculty, learn about co-curricular activities, tour our expanding campus and have lunch in the Village Café. Our knowledgeable admissions counselors will be on hand to meet with you about the admissions process, scholarship opportunities and financial aid. There may even be an opportunity for you to be accepted on the spot if you meet all entrance requirements!

Just wait until you hear our Drum-line (from our Band - "The Approaching Storm") play! Or see the members of our Greek Organizations stroll.
