

Director's Message

Dear Students, Faculty/Staff and Employers:

It is my pleasure to welcome you to the Office of Career Services. Our mission is provide career education, professional development services, and career related events designed to assist students and alumni to enter and sustain careers in a global job market. To that end, we provide a host of programs/services to help students discover their skills and career passions. In addition, we help students acquire requisite skills to compete in the marketplace through seminars, networking events, class presentations, courses and co-curricular activities such as campus employment, internships and cooperative education.

I especially extend my appreciation to our employers. Students at Delaware State University are some the the best and the brightest, representing diverse majors from our colleges of Agriculture & Related Sciences; Education, Health and Public Policy; Mathematics, Natural Sciences and Technology; Arts, Humanities & Social Sciences; Business, and; School of Graduate Studies. Please "Hire a Hornet " at your organization! Two of our major career fairs will take place on Thursday, October 29, 2015 at and Tuesday, March 29, 2016. Please visit our website for more information. If you would like to post an internship or career opportunity with our office, please use our Hire-a-Hornet powered by College Central Network (CCN) on this site. We are also excited about our Career Services app for students available August 15, 2015 or the Google Play Store and Amazon. Please contact our office any time to talk to one of our staff members. We recommend calling to make an appointment between 8:30-4:30. Walk-ins are welcomed. We are located in the MLK Student Center, Suite 333 and can be reached at 302.857.6120 or careerplanning@desu.edu [1].

Warm Regards,

Dr. Bill H. Means
Director, Career Services
