DSU Students and Families:

Delaware State University is pleased to offer you the Actively Managed Payment Plan (AMPP), administered by Nel Net Business Solutions for **Summer Session I and Summer Session II**. The AMPP is an interest-free alternative to paying each semester's tuition and expenses in full.

Enroll in the AMPP and receive these benefits:

- Manageable Payments ? Spread payments **over 3 months**
- No Interest Payments ? Use current income to make monthly payments
- Payments are reoccurring ? debited directly from checking, savings or credit/debit card
- Manage Your Account ? 24 hour access to manage your account via internet

The AMPP will allow you to pay one third (1/3) of the total balance due for Summer Session I & Summer Session II by the payment deadline date and the remaining balance is paid monthly over the two remaining months. The plan includes a **non-refundable enrollment fee of \$35.00** that is required at the time of enrollment. There will be a \$30.00 return payment fee if a payment is returned.
