

Concert Choir, President at DSU Day at Legislature - Photo Slideshow

Posted: March 27, 2013

It was Delaware State University Day at the state Legislative Hall on March 26, which was marked by performances by the DSU Concert Choir and a visit by DSU President Harry L. Williams along other DSU officials and alumni.

The DSU Concert Choir has annually performed for the House of Representatives in its chamber, but on this day for the first time ever, the choir also sang for the Delaware Senate in a separate performance in that chamber as well. The choir performed the songs "Steal Away," "A Witness," and "Rise, Shine for the Light is Coming."
