MBA Director

Master of Business Administration (MBA) Program

The Master of Business Administration (MBA) degree program is designed for working professionals and aspiring managers coming from a wide range of backgrounds who wish to advance their careers or acquire knowledge and skills necessary to succeed as leaders in the new economy. Candidates will learn to integrate and apply state-of-the-art business and organizational concepts and techniques in the functional areas of organizational management. Our program is flexible and designed to accommodate both full-time and part-time working professional and accelerated students. MBA candidates pursuing the full-time accelerated program can complete their degree in 12 months by taking three courses (9 credit hours) per term*, while regular full-time students can complete the program over an 18-month period by taking two courses per term. Those interested in part-time study can complete the degree requirements within two years by attending at least one summer session. Throughout the year MBA classes are offered during the evening hours and weekends.

*MBA classes are offered in 8-week terms where classes meet once a week from Monday through Thursday; weekend classes meet once a week on Fridays or Saturdays.
