Enrollment Policies and Procedures

General Registration Facts
Students are officially registered for courses only when they have complied with all of the procedures applying to registration, including the full payment of tuition and fees, and the validation of the student I.D. Tuition and applicable fees are payable at the time of registration for all students. Delaware State University uses an e-mailing method to send bills (e-bills) to students’ D.S.U. e-mail address, but cannot assume responsibility for them viewing the bills. If students do not receive bills on or before the published removal for non-payment date, it is the student’s responsibility to contact the Office of Student Accounts at (302-857-6240) to obtain information relative to their bill or go online at my.desu.edu to view their Account Summary by Selected Term.

Early Registration
All students returning to Delaware State University following the current semester of residence should pre-register during the period prescribed in the Academic Calendar. Returning students who do not pre-register prior to the on-site registration will be assessed a $50.00 failure to pre-register fee. An additional $50.00 will be assessed if students register during the late registration period.

On-Site Registration
Each year, one week prior to the start of classes for the fall and spring semesters, Delaware State University gives non-enrolled students an opportunity to register in person. During this three-day period, new students who did not enroll during one of the Summer New Student Orientation sessions and returning students who did not register prior to this period are advised by their academic departments’ designees and permitted to register. All billing issues must be handled during this period to avoid being removed from courses on the removal for non-payment date and the non-payment and reinstatement fees must be assessed.

Late Registration
Any student who did not pre-register or participate in on-site registration may register during the Late Registration Period. The late registration period for the spring semester 2016 starts on January 11, 2016, and ends on January 20, 2016. The Late Registration fee is $50.00.

Drop/Add
To drop or add a course, students may obtain approval from their advisor or department chair and go online and adjust their schedule or obtain a DROP/ADD form from the department’s chair. The form is to be turned in to the academic department through the late registration period and to the Office of Records and Registration thereafter, bearing the required signatures. Students may drop or add courses as indicated on the Academic Calendar. A drop fee of $10.00 per course will be assessed after late registration. Students who DROP courses which result in a credit on their student account will receive a refund in accordance with the University and federal regulations/policies. Students requesting to drop or add classes after the last day to drop or add courses must obtain the signature of the academic dean as well as their instructor and advisor/chair.

Web Registration & Drop/Add
It is required that all degree-seeking students consult with an advisor prior to registering or making changes to their existing schedules. Students may have their academic departments continue to enter their registration and schedule changes (drop/adds) or they may register and make schedule adjustments on-line. To obtain their “alternate pin number” for registering on-line, students must see their academic advisor after building their course schedule. The University’s Student Services website is at my.desu.edu.

Official Withdrawal (302-857-6375)
All withdrawals from the University are initiated in the Office of Records and Registration, Administration Building, first floor.

Academic Computing Office (302-857-7028)
In order to use any computer resources (including PCs, labs, printers, network connections and hard disk storage) on campus, students will need to have a valid D.S.U. student computer account (login name and password). They may apply for an account in the Bank of America Building, Room 313. The hours are from 8:30 a.m. to 4:30 p.m. Students should allow five business days for the Academic Computing Office to process their application.
Overload Fee Policy
For all course overloads, undergraduates will be assessed a fee equivalent to the cost-per-credit for each hour that exceeds 19 credit hours each semester.

Payment Due Date
Bills for all semesters are due upon enrollment. If a student is not paying in full, satisfactory payment arrangements made with the Tuition Pay Plan must be in place. Any student who does not adhere to this date will be assessed a “Non-payment Fee” of $150.00 and a hold will be placed on their student account.

Removal for Non-Payment
Students’ registrations, housing and meal assignments will be removed due to non-payment of room, board, tuition and fees in accordance with the Academic Calendar. Once students are removed for non-payment, a hold will be placed on their student account to prevent them from registering and they will be required to pay a “Reinstatement Fee” of $150.00 and $150 “Non-Payment Fee” for each session in which they are removed.

Documentation for Non-Attendance
All enrolled students are required to attend each class at least once during the first week of classes in order to verify attendance in the class. Failure to verify attendance in a class before the end of the first week of classes will result in the course being deleted from the students’ schedule.

Academic Credit
Credit will not be granted for a course in which the student is not officially registered.

Bookstore (302-857-6225)
The University Bookstore will be open from 8:30 a.m. to 5:00 p.m. on Monday and Thursday; from 8:30 a.m. to 4:00 p.m. on Friday and from 11:00 a.m. to 3:00 p.m. on Saturday, during the academic semesters. During the summer, the bookstore is open from 9:00 a.m. to 3:00 p.m. Monday through Friday.

Student I.D. (302-857-7345)
Returning students needing a replacement I.D. may obtain one for $50 (they should make a payment at the Cashier’s Office, and take the receipt to the Office of Student Accounts) before reporting to be photographed. Only those students who have satisfied all financial obligations to the University may have their student I.D. validated. A validated I.D. card is required for entrance to the dining hall and for access to library resources. All University officials are required to have a validated I.D. card.

Course Numbering
Undergraduate course numbers are 000-499. Graduate course numbers are 500 and above.

SECTION/CRN NUMBERS

Meal charges are refunded on a pro-rated weekly basis. Room charges are refunded on a pro-rated basis not to exceed 50% of the total charges for the semester at any time a student withdraws from the University or from residence hall after classes begin. Advance room deposits are non-refundable except in cases where the University was unable to provide space or the student is academically ineligible. Students may contact the Office of Student Accounts for the weekly rate(s) that will be calculated.

Title IV Recipients

The 1998 Reauthorization of the Higher Education Act requires Delaware State University to calculate the Return of Title IV Funds on all Federal Aid recipients who withdraw (OFFICIALLY OR UNOFFICIALLY) from classes on or before the 60 percent attendance point in the semester.

The federal formula requires a return of Title IV Aid, if the student received Federal Financial Assistance in the form of a Pell Grant, Supplementary Educational Opportunity Grant (SEOG), Academic Competitive Grant, SMART Grant, Teach Grant, Federal Plus Loan, Perkins Loan, Federal Subsidized Stafford Loan or a Federal Unsubsidized Stafford Loan, if a student withdraws on or before completing 60 percent of the semester. The percentage of Title IV Aid to be returned is equal to the number of calendar days remaining in the semester divided by the number of calendar days in the semester. Scheduled breaks of more than four consecutive days are excluded.

If funds are to be returned after completing the return of Title IV Aid calculation, Delaware State University is required to return its portion of unearned Title IV Aid to the appropriate federal programs within 45 days from the date the student
withdraws from classes. A hold will be placed on the account and all University services will be withheld if the account reflects a balance. DSU will only return grant funds required by the student.

STUDENTS WHO STOP ATTENDING ALL CLASSES WITHOUT OFFICIALLY WITHDRAWING WILL BE SUBJECT TO THE RETURN OF TITLE IV FUNDS AT THE END OF THE SEMESTER, BASED ON THE LAST DATE OF ATTENDANCE.
Notification of Rights under FERPA
For Delaware State University Students

The Family Educational Rights & Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.
   Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the University official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request an amendment of the student’s education records for which the student believes is inaccurate or misleading.
   Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
   If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
   One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
   Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Delaware State University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:
   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, S.W.
   Washington, DC 20202-4605

Directory Information
The Family Educational Rights and Privacy Act permits the release of directory-type information to third parties outside the institution without written consent of the student provided the student has been given the opportunity to withhold such disclosure.

The University releases, upon inquiry to third parties outside the University, directory information without written consent of the student. Directory information includes name, address, telephone number, college, class, major, dates of attendance, and degree and honors and awards conferred. Students may withhold directory information by going to the Office of Records & Registration.

Note: While the withholding request may be made at any time, students wishing to have directory information withheld from the student directory should submit their requests no later than three weeks prior to the first day of fall semester classes.

Undergraduate Application Instructions

Applicants must have certificates or a diploma from an accredited four-year school or senior high school. It is recommended that applicants seeking admission to the University follow the College Preparatory Course in high school.

Admissions Time Line
Candidates for undergraduate admission may apply as early as the end of their junior year of high school. For priority consideration, we encourage applicants to submit applications no later than February 1 for the fall semester and November 1 for the spring semester. Admission decisions are made competitively as applications are complete, until no space is available. Please understand that applications will not be reviewed until all of the following steps have been completed:

Step 1. Apply
Complete and sign the application for Undergraduate Admissions online at desu.edu/apply-now.

Step 2. Pay the Application fee
Include a $35.00 check or money order made payable to Delaware State University. The application fee is non-refundable. Applicants may pay the application fee over the telephone by contacting the Cashier’s Office at 302.857.6220, but are encouraged to apply and pay online at www.desu.edu/apply-now. Application fee waivers from the College Board and NACAC will be honored by submitting to the Office of Admissions.

Step 3. Submit SAT/ACT Scores
Your Scholastic Assessment Test (SAT) or American College Test (ACT) scores are required for undergraduate admission to Delaware State University. Please be sure to submit your test scores with your completed application. If you have not taken the SAT or ACT, register to do so with your high school (not applicable to transfer students, high school graduates who have been out of school for five or more years, and high school GED diploma recipients). International students from non-English speaking countries must submit TOEFL scores. Scores should be forwarded to the Office of Admissions. GED diploma recipients must provide an official copy of their GED test scores.

Step 4. Send Transcript(s)
A high school transcript is required for admission to DSU. Have your school counselor generate an official transcript and submit to the Office of Admissions. Be sure that your transcript is submitted to the Office of Admissions in a sealed envelope. Transfer applicants are required to submit an official high school transcript as well as an official transcript from each college attended.

Step 5. Submit a Completed Application
Please remember that your application will not be processed until all of the following items are submitted:
- Your online completed application
- Official Transcripts
- SAT or ACT test scores and
- $35.00 Application Fee

Releases are not required when photographing people in a public place, such as walking across campus or attending a college graduation ceremony. By completing an application for admission to Delaware State University, you authorize the use of your name, statements and likeness, without charge, for promotional purposes in college publications, advertising, video, web, new media, or other formats. Delaware State University may use the address provided on the application for admission to contact you regarding the status of your application or enrollment with the University. Submission of an e-mail address authorizes Delaware State University and its affiliates to contact you electronically.
Admissions Requirements

General Education Development (GED) Test Applicants

The University will consider for admission applicants who have satisfied high school graduation requirements with the General Education Development (GED) test, once they have completed 12 semester hours of transferrable college coursework and met the University transfer admission requirements. Applicants must submit a notarized copy of their GED certificate with their application and fee to be considered for admission.

Early Bird Applicants

The Early Bird Program is for juniors and seniors attending a high school in the State of Delaware who wish to earn college credit while still attending high school. In order to qualify for the program, students must be recommended by their high school principal. Interested students should contact their high school counselor for instructions, obtain a letter of recommendation from their principal, and have a written approval from their parents. A cumulative grade point average of 2.5 or better is also required. Early Bird applicants may enroll for no more than six (6) credit hours per semester. Students whose cumulative high school grade point averages are 3.0 or better on a 4.0 scale are entitled to six (6) hours of free tuition per semester. All students will still be responsible for fees—technology, parking, etc. Students cannot enroll in the Early Bird program if they have graduated from high school or will graduate within the term. Early Bird students must apply each semester and submit an updated high school transcript. All applications should be directed to the Office of Admissions.

Returning Applicants

Students wishing to return to the University after voluntary or involuntary absence of three (3) or more years must re-apply. All other returning students should contact the appropriate academic department chairperson in the major declared at the time of voluntary separation for academic advisement and registration procedures. For those returning from involuntary separation, the dean of your college should be contacted. Returning Delaware State University students who have attended other colleges since their last enrollment at Delaware State University must have official copies of those transcripts forwarded to the Office of Admissions.

Part-time Applicants

Those part-time students seeking credits but not a degree must furnish proof of graduation from high school or college to the Office of Records and Registration instead of submitting proof to Admissions. A copy of the high school diploma or college transcript will be sufficient evidence. Degree seeking part-time students must follow the same procedures as full-time applicants. Teacher Certification-only applicants are not required to submit high school transcripts. Proof of a baccalaureate degree will be sufficient.

Transfer Applicants

Applicants must earn 12 credits hours of transferrable coursework with a cumulative G.P.A. of 2.0 or higher from an accredited institution. Only grades of C or higher will transfer. Grades of C- do not transfer. Applicants attempting to transfer to DSU with less than 12 credit hours will need to provide SAT or ACT test scores, in addition to high school transcripts, before being reviewed by the Office of Admissions.

International Applicants

The University will consider international students whose transcripts are cleared by the Office of Admissions. International students are encouraged to begin the admissions process no later than ninety (90) days prior to the start of classes for the semester for which they are applying. Please understand that failure to comply with the following policies could interfere with the timely processing of a student’s application. Students desiring to enter the University should have official copies of their transcripts forwarded to the World Educations Service (WES), the Educational Credential Evaluators (ECE), or the American Association of Collegiate Registrars and Admissions Officers (AACRAO) for evaluation. International students must take the Test of English as a Foreign Language (TOEFL) which is required if English is not the applicant’s native language. Submit a satisfactory score of a minimum of 550 (paper-based test), or a 79-80 (new internet based TOEFL). International students are wholly responsible for all of their financial obligations (which include but are not limited to tuition, fees, housing and meals if applicable) prior to their arrival at D.S.U. International students must contact the International Affairs Office at (302) 857-6474 to get further details.

For admission to graduate study, applicants must show evidence that they have earned the baccalaureate degree at an accredited college or university and possess the ability to carry out graduate work of high quality. An official transcript of all previous undergraduate and graduate work must be submitted. To be considered for unconditional admissions, applicants should have a minimum cumulative undergraduate grade point average of 2.5 (on a 4-point scale) and a scholastic average of 3.0 in their undergraduate major. The applicant should have successfully completed the requisite courses or a specified degree program at the undergraduate level as determined by the recommending program.

Please note that all application materials are to be received by the deadline noted. Incomplete applications will not be reviewed. Some graduate programs have earlier deadlines and more stringent admission requirements than noted for the School of Graduate Studies and Research. Also note that some programs only admit once per year. Please contact your program of interest prior to submission of your application. Complete applications are reviewed and evaluated by the respective Department, which recommends action to the Dean of Graduate Studies and Research. The Dean of Graduate Studies and Research reviews all recommendations along with application materials; renders an admission decision and extends an offer of admission to the applicant. The online application must be used by all students seeking graduate admission to Delaware State University. A non-refundable application fee of $50 must accompany all submitted applications. For all graduate programs, official scores on the Graduate Record Examination (GRE), Graduate Management Admission Test (GMAT), the Miller Analogies Test (MAT), or other specified examinations, writings, documents, or productions as defined by the individual department or program are required. Students scoring below the 50th percentile on the verbal and/or analytical writing section of their standardized examination may be required to demonstrate additional proficiency. Please note that...
all graduate programs reserve the right to note more stringent admission guidelines and earlier deadlines than the School of Graduate Studies and Research. It is therefore advisable to discuss program requirements with the program director prior to submission of application materials.

Prospective students must arrange for the official transcript(s) and standardized examination scores to be forwarded to:

Office of Graduate Admissions and Extended Programs
3931 Kirkwood Highway
Wilmington, DE 19801
Telephone: (302) 254-5334 or 254-5340
Fax: (302) 254-5350

Application procedures, supporting credentials, and requirements vary among graduate programs and therefore, prospective graduate students are encouraged to contact the School of Graduate Studies (302-857-6800) or the program director representing the area of interest (http://www.desu.edu/sites/default/files/Program%20Directory.pdf). Please contact the Office of Graduate Admissions at gradstudieswilm@desu.edu or 302.254-5334 or 302-254-5340 with any questions regarding completion of the graduate application.

In addition to the requirements noted above, non-English speaking international students applying for admission to graduate study must demonstrate a satisfactory level of proficiency in the English language. This proficiency requirement may be satisfied by meeting the criteria in any one of the following categories:

- Foreign applicants who hold the baccalaureate degree from a regionally accredited college or university within the United States are presumed to be proficient in the English language.

- Foreign applicants who hold the baccalaureate degree or its equivalent from a foreign institution in which English is the language of instruction are presumed to be proficient in English.

- Foreign applicants who do not meet the requirements outlined in 1 and 2 above must take the Test of English as a Foreign Language (TOEFL). Applicants should attain a score of at least 550 on the TOEFL (paper-based test), or a 79-80 (new internet based TOEFL) or a 5.5 minimum IELTS score. Official scores should be submitted to Office of Graduate Admissions. Have transcripts evaluated by the World Education Service (WES), Educational Credential Evaluators (ECE), Global Credential Evaluations, Inc. (GCE), or the Association of Collegiate Registrars and Admissions Officers (AACRAO) and then forwarded by the evaluating organization to the Office of Graduate Admissions at the address noted above. All academic records must be converted into their U.S. education equivalents by a University-recognized credential agency, to obtain transfer credit for education completed at non-U.S. postsecondary institutions. Transcript evaluations must be submitted sealed from the evaluating organization.

NOTE: The School of Graduate Studies and Research reserves the right to request that transcripts from international English speaking institutions be evaluated by WES or any of the other recognized credential agencies if educational equivalency cannot clearly be determined by the Office of Admissions.

International students must place an Affidavit of Support Form on file with Ms. Candace Moore, Director of the Office of International Student Services upon submission of the graduate application. Questions regarding this process should be directed to the Office of International Student Services. The Affidavit must include: Official bank statements in U.S. Dollars no less than two (2) months old; a letter from the bank on letterhead stationary which states the date the account was opened and current balance in U.S. Dollars; or an award letter from Program or Department (Delaware State University Program) stating the length of time and amount of the award. Affidavits along with supporting documentation should be submitted to:
Graduate Registration and Enrollment

Students are officially registered for courses only when they have complied with all of the procedures applying to registration, including a full payment of tuition and fees as well as the validation of the student I.D. Students not officially registered for courses will not be permitted to attend the classes in session and will not receive any credit for the courses at the end of the semester.

Tuition and applicable fees are payable at the time of registration for all students. All fees must be paid in full or satisfactory payment arrangement with Tuition Pay Plan must be made; otherwise, students will be removed from their course(s) on the removal for non-payment date as communicated in the pre-purge letters. Delaware State University uses an e-mailing method to send bills (e-bills) to students, but cannot assume responsibility for their receiving the bills. If students do not receive bills on or before the beginning of each semester, it is the student's responsibility to contact the Office of Student Accounts or to go online to obtain information relative to the bill address on the MyDESU (Student Services website), my.desu.edu.

Students who add or drop courses that result in a credit on their student account will receive a refund through the Office of Student Accounts in accordance with University and federal regulations/policies. Courses dropped after late registration ends will be assigned a final grade of "W" if the course is dropped on or before the last day to drop classes. Course drops approved after this date will be assigned a grade of "WA" (Administrative Drop). Please refer to the University catalog for more information.

Health Records

The University requires that all degree-seeking students file a personal health and immunization record with the Student Health Center at the time of first enrollment. This activity should be completed prior to registration. These forms are available at the following link: http://www.desu.edu/healthform.

Financial Aid and Satisfactory Academic Progress

Delaware State University applicants for financial aid must use the Free Application for Federal Student Aid (FAFSA). The FAFSA is used to determine the need for financial assistance and as a mechanism for non-need based and need based loan certification. Further, all students applying for scholarships, grants and tuition fee waivers must file and complete the financial aid process before any form of aid can be applied to the students account.

Financial Aid at the University is made available for graduate students through tuition fee waivers, research fellowships via departmental grant funding, departmental assistantships, loans and part-time employment opportunities. Please consult your program of interest regarding availability of funding.

Satisfactory Academic Progress

Satisfactory Academic Progress (SAP) Students receiving financial aid must meet the requirements established by the Department of Education and must meet Satisfactory Academic Progress (SAP) determined by Delaware State University. Satisfactory Academic Progress, SAP, is a process to review a federal aid recipient's academic record and compare it to defined criteria.

SAP GPA CRITERIA

Graduate students must meet the minimum cumulative DSU grade point average (excludes transfer work) requirement of 3.00 by the end of their second full semester. In addition, all graduate students must earn 67% of their hours attempted, and must not exceed 150% of the hours required for degree completion. There is a one-time only appeal procedure for the graduate student. Graduate students must attain a 3.0 at the end of that semester to remain eligible to receive Federal aid.
Financial Aid preceding the appeal. The following types of grades cannot be used to fulfill financial aid probation, suspension, or re-matriculation requirements: credits by audit or special examination, grades earned from advanced placement or CLEP exams for which prior approval was not obtained; withdrawal or incomplete grades; and grades earned with zero credit.

**SAP Appeal Procedure**

Students may appeal the SAP decision regarding financial aid probation or suspension status by submitting a completed Petition for Reinstatement of Financial Aid Eligibility to the Office of Financial Aid. Graduate students may appeal once during the course of completing their degree. Students placed on financial aid suspension must submit the Petition for Reinstatement of Financial Aid Eligibility form. The Petition for Reinstatement of Financial Aid Eligibility form should contain an explanation of what caused the progress issue, an outline of future goals and any supporting documentation of extenuating circumstances attached **. This form (along with all supporting documentation and a revised plan of study form) must be submitted by the deadline contained in the denial letter to the Office of Financial Aid. Late appeals will be reviewed on a case by case basis and may be held until the next semester for approval. The Petition for Reinstatement of Financial Aid Eligibility form can be found by assessing the DSU Office of Financial Aid website:

www.desu.edu/financialaid or in the DSU Graduate Handbook located on the current students’ webpage: http://www.desu.edu/graduatestudies/current-students. **Extenuating circumstances would include extreme illness or injury, family crisis or additional credits earned from incomplete courses.

Financial Aid

Procedures for Applying for Financial Aid

Candidates for admission to the University who wish to apply for financial aid should begin the process by filling out the Free Application for Federal Student Aid (FAFSA). In order to qualify for any of the U. S. Department of Education’s (ED) grant, loan, or work-study programs, borrowers must complete the FAFSA.

The Financial Aid Office awards scholarships to undergraduate and graduate students on the basis of financial need, residency status and other criteria specific to the scholarship program. If you have not done so already, complete or update the 2015-2016 FAFSA using 2014 income data and DSU’s school code (001428) immediately to secure any aid eligibility you may have for the remainder of the 2015-2016 Aid year.

You may file the FAFSA electronically on the web at http://www.fafsa.ed.gov. Make sure that you and/or your parents sign the FAFSA using your Federal Student Aid ID. You can apply for an FSA ID at the FAFSA website.

Satisfactory Academic Progress

Federal regulations require Delaware State University to establish and apply reasonable standards of satisfactory progress for the purpose of the receipt of financial assistance under the programs authorized by Title IV of the Higher Education Act.

Before you register, review the Satisfactory Academic Guidelines for receiving Federal Financial Aid found on http://www.desu.edu/satisfactory-academic-progress-sap.

Types of Aid Available

- **Grants**-Federal Pell Grants are for students enrolled in a degree program for at least six semester hours of credit. In some cases students may be eligible for Pell Grants for less than half-time attendance. This grant from the federal government does not have to be repaid.

- **Federal Supplemental Education Opportunity Grants (FSEOG)**-are only for students in a degree program at least six (6) credit hours or more. This grant, administered by Delaware State University, does not have to be repaid. First come first served awarding.

- **Aid to Needy Students**-The Aid to Needy Students grant is available to Delaware residents who attend Delaware State University as a full-time student and have an un-met need. The applicant must submit the Free Application for Federal Student Aid results to the Financial Aid Office by the priority deadline. This grant does not have to be repaid. First come, first served awarding.

- **Federal Work-Study** is a federal part-time employment program for full-time or part-time students. To be eligible for Federal Work Study, students must complete the Free Application for Federal Student Aid (FAFSA).

- **Federal Student Loan Program** allows students to borrow money to pay for their education. The three types of loans are:

  - **Federal Direct Subsidized Loans**- These are subsidized loans, that the federal government will pay the interest on the loan while the student is in school and during specified deferments, but the student must demonstrate financial need to receive the loan. Students are required to be enrolled at least half-time or 6 credit hours or more. To be eligible, students must complete the Free Application for Federal Student Aid (FAFSA).

  - **Federal Direct Unsubsidized Loans**- Students can get these unsubsidized loans regardless of need but will have to pay all interest charges from the time of disbursement. Students are
required to be enrolled at least half-time or 6 credit hours or more. To be eligible, students must complete the Free Application for Federal Student Aid (FAFSA).

**Federal Direct PLUS Loans**—Parents of a dependent student with an approved credit application can borrow a PLUS Loan to pay for the student’s education. Students are required to be enrolled at least half-time or 6 credit hours or more. To be eligible, students must complete the Free Application for Federal Student Aid (FAFSA).

**If Aid Exceeds Tuition and Fees**

When federal grants and/or loans awarded for the semester through the Financial Aid Office cover more than tuition and fees, the DSU Student Accounts Office prepares a check approximately 14 days after the drop for non-payment period. The funds are to be used for books, supplies and other related expenses. **Refer to the Refund Policy Section on Page 11 or contact the Office of Student Accounts at (302) 857-6240.** Institutional and state funds that exceed the tuition, fees and book charges are not released to the student. **These funds are reduced.**

**Before Registration**

1. Undergraduates should submit the results of the Free Application for Federal Student Aid (FAFSA) by the priority deadline dates of March 15, 2014 for the fall semester (2014) and October 10, 2014 for the spring semester (2015) and submit all required documents as requested to the Financial Aid Office.

2. Students awarded scholarships from outside sources must submit the check or a scholarship notification letter to the Office of Student Accounts to have the funds credited to their account.

**Other Guidelines**

1. All financial aid recipients are subject to the Delaware State University refund schedule in accordance with federal and state financial aid regulations (see Refund Schedule). This means that a proportionate share of the money must be returned to the Financial Aid Program(s), including the Federal Direct Stafford Student Loan Program and the Federal Direct PLUS Program, if a student withdraws or is dismissed during a refund period. Further information and applications are available in the Financial Aid Office, Administration Building 1st floor or online at [www.desu.edu/student/financialaid](http://www.desu.edu/student/financialaid).

2. Reaffirmation of loan eligibility includes establishing that the student has maintained satisfactory academic progress, has at least halftime enrollment status and has progressed to the next grade level for increased annual borrowing amounts. Students who do not progress to the next classification level must borrow at the prior year’s level. For example, a student with 0-29 earned hours is classified as a freshman. A freshman may borrow $3,500.00 per year but may not borrow at the next level ($4,500.00 per year) until he/she obtains a sophomore status (completion of at least 30 earned credit hours).
