Delaware State University Graduate Student Enrollment Guide | Fall 2016
Welcome!

Dear Graduate Student:

We are pleased that you have selected Delaware State University to pursue your graduate and professional education. On **July 29**, between the hours of 8:30 a.m.-4:30 p.m., you will be able to visit the first floor of the Claibourne D. Smith Administration Building to complete all final steps needed with the Office of Financial Aid, Office of Admissions, Office of Student Accounts and the ID Office. The office staff at the School of Graduate Studies and Research, located in Grossley Hall, will be available to address any questions you may have or direct you with the necessary steps needed to complete your enrollment process.

A PowerPoint overview of the School of Graduate Studies and Research will be available on our website — [desu.edu/grad](http://desu.edu/grad) — to view on or after July 29. When you come on campus July 29, you will be expected to satisfy your bill or make payment plan arrangements, meet with your department to get the course information needed to register for classes, and obtain your photo ID.

It is the responsibility of each student to ensure that he or she manages the registration and payment process so that enrollment deadlines are met leading up to the first day of classes on August 29. If your bill or payment arrangements have not been satisfied by the first week of classes, you will have an academic hold placed on your account and will not be able to matriculate further in your studies at Delaware State University.

Please follow the steps outlined in the following pages. If you have any questions as you matriculate through your respective graduate programs, please contact the School of Graduate Studies and Research at gradstudies@desu.edu or 302.857.6800.

Best wishes for a productive and successful school year!

Sincerely,

Dr. Saundra F. DeLauder | Dean, School of Graduate Studies and Research, Delaware State University

Health Forms

All students are required to submit all four pages of the Student Health Form found at the following link on the DSU Office of Student Health Services website: desu.edu/healthform. Your health history, section 1, may be completed by you; however, sections 2-4 must be completed by a health care provider. You may mail these forms to Delaware State University, Student Health Center, Bldg. #21, 1200 North DuPont Highway, Dover, DE 19901.

Health Insurance

Due to the federally mandated health care law, the Affordable Care Act, individuals must have health insurance coverage. All full-time students at Delaware State University are required to show proof of insurance.

- U.S. graduate students who have insurance coverage that meets federal requirements of the Affordable Care Act are not required to waive out of Delaware State University’s Student Health Insurance Plan. For students who are not sufficiently insured who would like to purchase DSU’s Student Health Insurance Plan through AIG, the University provides this opportunity. The cost is $377 per semester and requires payment by credit card. For more information, please visit studentinsurance.com/schools/DE/DESU.

- Per the Office of International Affairs, international graduate students who already have insurance coverage that meets federal requirements of the Affordable Care Act must complete an online waiver form to opt out of DSU’s Student Health Insurance Plan. To waive coverage — or enroll in DSU’s plan if not sufficiently insured — please visit studentinsurance.com/schools/DE/DESU.

- If you do not complete this process, an academic hold will be placed on your account and you will not be able to progress forward with your academic studies at Delaware State University.

Setting Up Your University-Assigned Email

Microsoft Office 365 email activation instructions:

It is important for you to use your DSU email account, through which you will receive official University information as well as student account and records information.

E-communication from the University will only be sent to your University-assigned account. It is important that you monitor this email account regularly, as you will be held responsible for any communication sent to this account.

1. Go to the DSU Office 365 (outlook.com/students.desu.edu) login page. Enter your entire DSU student email address that was issued in your acceptance letter.
2. Your default password will be your student ID number (begins with D). If you are unable to log in using the information provided, please contact the IT Central Help Desk at 302.857.7028 for assistance.
3. Once you have successfully logged into Office 365, you should immediately go to desu.edu/technology/webmail and follow the instructions in the “Self-Service Password Reset” section to set security questions and change your password.
4. You can now access your new email account and personalize it, such as setting up your personalized file sharing or forwarding emails to an alternate email address. Utilizing your DSU student email will ensure your new electronic connection to the University. Please understand that your email information will be kept confidential and will not be shared outside of the University.
5. Another way to access your student email is to visit the DSU website (desu.edu) and click on MyDESU. Click the Email icon on the right-hand side. You will then be directed to the Office 365 website.

* If you have not used your email account in six months, your email account will expire. If your account has expired, you should visit any on-campus lab and log on using your entire DSU email address as the username, and your previous password. If you do not remember the password, you will need to call the DSU Central Help Desk at 302.857.7028.

Notice of Nondiscrimination Policy

DSU forbids discrimination of any kind by any member of the University community, including visitors. In particular, Title IX of the Education Amendments of 1972 is a federal law that prohibits sex discrimination in education. It reads: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX)

Sex discrimination includes sexual harassment and sexual assault.

The University prohibits all forms of sexual misconduct by anyone in the DSU community (students, faculty, staff, visitors) and also prohibits any form of discrimination based on other characteristics or traits. Please see the Policy on Equal Opportunity, Harassment and Nondiscrimination and the Equity Resolution Process for Resolving Complaints and Violations.

While it is often thought of as a law that applies to athletics programs, Title IX is much broader than athletics and applies to all programs at Delaware State University. While compliance with the law is everyone’s responsibility at DSU, listed below are the staff members who have primary responsibility for Title IX compliance.

Title IX Coordinators Dr. Stacy Downing, vice president for Student Affairs, and Candy Young, interim associate vice president for Student Affairs
1200 N. DuPont Highway, Dover, DE 19901
302.857.6300; studentaffairs@desu.edu

Duties and responsibilities: Monitoring and oversight of overall implementation of Title IX Compliance at DSU, including coordination of training, education, communications and administration of grievance procedures for faculty, staff, students and other members of the DSU community.
You may also report a complaint concerning sexual misconduct or any other form of discrimination to any of the deputy Title IX coordinators, or complaints may be made online.

All full-time students at Delaware State University are required to show proof of insurance.

** U.S. graduate students who have insurance coverage that meets federal requirements of the Affordable Care Act are not required to waive out of DSU's Student Health Insurance Plan. For students who are not sufficiently insured who would like to purchase DSU's Student Health Insurance Plan through AIG, the University provides this opportunity. For more information, please visit studentinsurance.com/schools/DE/DSU.

** Per the Office of International Affairs, international graduate students who already have insurance coverage that meets federal requirements of the Affordable Care Act must complete an online waiver form to opt out of DSU’s Student Health Insurance Plan. To waive coverage — or enroll in DSU’s plan if not sufficiently insured — please visit studentinsurance.com/schools/DE/DSU.

### HOUSING AND MEALS

All students who reside in University housing are required to be enrolled in at least 12 credit hours per semester. Students who are enrolled in less than 12 credit hours per semester will be assessed a part-time boarder fee to adjust the student’s account to reflect full-time charges.

** HOUSING DEPOSIT: A $200.00 housing deposit is required to secure your housing assignment for the academic year. Housing is available on a first-come, first-served basis. The housing deposit is non-refundable if not received by June 30.

** SECURITY DEPOSIT: A $300.00 security deposit and a $100.00 application fee are required to secure your housing assignment in the University Courtyard or the University Village apartment complexes.

Federal Unsubsidized
- Interest begins to accrue immediately after the first disbursement, unlike the subsidized Stafford loan

Mission
The Delaware State University Police Department is committed to providing the highest quality of service to our citizens. Acting in partnership with the community, we will be proactive and provide a responsive and flexible approach to quality-of-life issues.

Vision
The Delaware State University Police Department’s vision is “to support the administrative and financial performance of the University and provide a safe and healthy physical plant for students, faculty, staff and the public.” The department’s efforts include preventive measures through education and enforcement, which promote awareness and individual responsibility in an effort to prevent criminal and safety mishaps.

The Delaware State University Police Department provides for the safety of its students, faculty and staff. To do this, the University has created a comprehensive, three-tiered security system:

- A fully certified police department, including 18 licensed law enforcement officers with all the powers of any municipal law enforcement agency.
- A fully staffed security force that provides around-the-clock coverage of the 400-acre campus.
- A group of student cadets, which provides evening escorts, assistance with University events and extra security within the student population.

Parking on campus
Campus parking spaces are provided in designated areas for resident and commuter students. There is an annual fee of $70 for parking on the main campus. Students with automobiles can go to desu.thepermitstore.com to obtain a parking decal that must be displayed as directed at all times. The Wilmington location does not require a decal or parking fee. Students must also register their motor vehicle with the DSU Police Department by bringing their vehicle insurance, registration and driver’s license to the Campus Police Building.
