Quick Step Guide for MD Requesters

1. Open your Internet Browser (Internet Explorer, Fire Fox, etc...) and type in www.myschoolbuilding.com in the address bar and press Enter on your keyboard or click on Go.

*If you have logged in before please skip to Step 3.

2. If it is the first time your computer has been to the website, enter the Organization Account number 441186788 and click Submit Organization as prompted. Your computer will remember the organization account number on subsequent visits and will skip this step.

- You may also copy this link and paste it into the web address window: https://www.myschoolbuilding.com/myschoolbuilding/mygateway.asp?acctnum=441186788

TIP: If you want to add a Shortcut to this webpage for easy access, follow these instructions:

  a. Find a blank area on the next page
  b. RIGHT click your mouse
  c. Select Create Shortcut.

This will add an icon on your desktop that you can double click the next time you want to sign in (allowing you to skip steps one and two).

3. Enter your email address and click Submit.

4. If a RED message pops up noting that it can’t find the indicated email address, enter your last name and click Submit. Then enter your first name, on the next page, and click Submit.
Filling out the Request Form:

My Request Tab

After you click submit on the request form, the screen will refresh to the *My Request* Tab.

On this screen you will see up-to-date information on your request including:

- Status
- Work order number for referencing
- The date you requested the work
- Any Action Taken notes added by the technician on the progress
- And a Completion Date once the work has been completed

**TIPS:**

A. In the Request Totals section (on the right hand side of the above screen), you can click on the number next to the status description to see all request marked with that status.

B. You can search for any work order request by typing in a key word in the *Search* box and clicking on *GO*. This will pull up any of your requests with that word in it. (Ex: keys would pull up any request dealing with keys).

C. Click on the *Work Request* Tab to input a new request.
