

Human Ecology Faculty and Staff

Our faculty members are nationally and internationally known for their expertise. Faculty members have records of accomplishments, some of which are demonstrated in published peer reviewed journals. The department promotes intra- and inter-departmental collaboration for the purpose of attracting external funds that can be used to support programs and academically talented students.

Department of Human Ecology

**Delaware State University
?102A Agriculture Annex
1200 N. Dupont Highway
Dover, DE 19901**
