AUDITION ESSAY

Vocal / Choral Scholarship Auditions

Name:______________________________ Date:________________________

We want to know more about you and ask that you write a brief narrative concerning who you are. Please feel comfortable in writing about yourself. Include a description about your musical experiences and training. How have you participated in music in your schools and in your community? Do you enjoy performing? Do you have related experiences in the arts and theatre? Have you studied privately? What are your goals in music? Do you have other interests outside music? You may include any other information you feel pertinent. Best wishes and much success to you in all of your future pursuits.
