Academic Services for Student-Athletes experienced unprecedented success during the past academic year. The achievement of our student-athletes is a testament to the countless hours spent in study hall; performing in the classroom; student dedication; academic services staff interaction with students, faculty, and staff. Our coaches and support staff are to be commended for the assistance they provided while following up on requests for academic improvement throughout the year. The following outline highlights those student-athletes from the spring 2010 semester.
