Dear New Project Success Student:

It’s time to arrive for fall 2012! If you plan to participate in the Project Success Program at Delaware State University, you must attend Project Success New Student Orientation.

What is Project Success New Student Orientation?

Project Success New Student Orientation is designed for conditionally admitted students entering the University for the first time. It introduces you to the campus, where you will learn about Delaware State University’s Project Success Program, meet the first-year team, learn about all of our support services and make new friends with other new students. All new students participating in the Project Success Program must attend this orientation.

Orientation Arrival Instructions

Project Success New Student Orientation check-in will take place in the multipurpose area on the second floor of the Martin Luther King, Jr. Student Center (Bldg. #3) beginning at 8 a.m. You will receive a packet of information that will include the schedule of activities for the day. You will not be able to check in for Project Success New Student Orientation if your deposit of $500.00 has not been paid. The opening session will begin promptly at 9 a.m.

These orientations are ONLY for Project Success students who have paid the mandatory, nonrefundable program deposit of $500.

Where can I park during Project Success New Student Orientation?

Parking for Orientation is permitted in:

Lot 1 — Stadium Parking Lot

What are some of the activities?

Upon arrival, you will receive a schedule of activities for Project Success New Student Orientation, which will include:

- Participating in a campus tour
- Taking pictures for your University ID
- Learning about academic policies and procedures of the program

How do I register?

Once you have paid the $500 deposit, you are automatically registered. The deposit is nonrefundable.

Please review carefully the enclosed orientation documents before registering:

- Project Success New Student Orientation Registration Form
- Hotel, transportation and parking information
- Arrival instructions
- New Student Checklist
Who may I bring to Orientation?

At DSU, we realize that families are in transition when students leave home for college. Orientation to DSU life is important to help parents, guardians or other guests understand and support their students. Orientation activities are offered to both students and their guests.

Siblings are important during your transition to college, and we know that this is an exciting time for all family members. However, Project Success New Student Orientation is designed specifically for you and your parents or guardians. Younger siblings and other family members may not find the sessions of interest.

We suggest that you bring no more than two guests. Please indicate on your registration form the number of guests (one or two). We prefer that your payment be made in advance, not on the day of the event.

For more detailed information on the activities for students and their guests (parents, guardians or others) go to www.desu.edu/office-university-studies-and-first-year-programs. You will receive a detailed schedule of events when you check in.

Do I need to prepare for the Accuplacer test?

At Project Success New Student Orientation, you will take online Accuplacer tests in reading comprehension, sentence skills or writing, arithmetic, elementary algebra and college-bound mathematics. We will use your Accuplacer test results to place you in your mathematics and English courses and advise you in selecting a course schedule suited to your declared major, if you have one, or your interests. Students who miss placement testing will be unable to attend the University.

Make sure to bring a picture ID. Calculators, dictionaries, books and notes are not permitted. Relax! Just get a good night's sleep before you come. For online information and sample test questions, visit www.collegeboard.com/student/testing/accuplacer.

The Delaware State University family looks forward to seeing you at Project Success New Student Orientation 2012. If you have any questions or concerns, please contact the Office of Admissions at 302.857.6351 or the Office of University Studies and First Year Programs at 302.857.7252.

Sincerely,

Erin Hill
Executive Director, Office of Admissions

New Student Checklist

Before the excitement of Project Success New Student Orientation, please take the following action steps to ensure your successful transition as a student at Delaware State University. This checklist will assist you in the orientation process and help avoid time-consuming delays.

To ensure that your orientation visit goes smoothly, please read the following instructions carefully. If you have further questions, please contact the Office of University Studies and First Year Programs at 302.857.7252 or summerbridge@desu.edu.

Step 1: Complete the Financial Aid Process

- Review your Student Aid Report (SAR) and check for verification selection from the Department of Education. If you have been selected for verification, you will need to submit copies of your federal IRS tax return transcripts, W2s, verification worksheet and untaxed income form. All required verification documents may be obtained through my.desu.edu.

Step 2: Satisfy Student Accounts

Following the Project Success New Student Orientation, you will be registered for your fall 2012 courses (12 or more credit hours). A bill will be generated and emailed to your DSU email address once you have registered for your courses. You may access your course schedule by logging on to: my.desu.edu to view your account summary by selected term.

Payment is due in full for fall 2012 by July 10, 2012. However, if you are not able to make a full payment, you can make satisfactory payment arrangements with Nelnet Business Solutions (AMPP); log on to my.desu.edu and click on NBS-AMPP monthly payment plan. You must continue to communicate with the Offices of Student Accounts and Financial Aid to gain clearance to attend classes (and move into the residence halls if applicable).

Please note: See page 19 of this booklet for a Cost to Attend DSU worksheet. The worksheet should only be used to estimate the cost of attendance. Please keep in mind that costs may vary based on each student's unique situation.

Methods of Payment Accepted at DSU

- Cash
- Cashier's/certified check
- Credit card (Discover, MasterCard, Visa)
- Debit card with logo

Note: DSU will not accept personal checks.

Satisfying your financial obligation means:

1. All financial aid, scholarships, grants and loans have been completed and posted to your account.
2. AMPP has received the enrollment fee and first installment payment for the deferred payment plan (as determined by AMPP) if applicable. Please Note: Once you are enrolled on AMPP, it will take 10 business days to be financially cleared.

Step 3: Submit Health Forms to Student Health Services

All full-time students must submit a completed health form to the Office of Student Health Services. All new students are required to submit a completed Student Health Form by the time they attend Project Success New Student Orientation. Commuter students must have their health forms on file in the Office of Student Health Services prior to checking into the program. New students who plan to live on campus will not be permitted to move into the residence halls without a completed health form on file in the Office of Student Health Services. The health evaluation and required immunization/screening section of the form must be completed and signed by a health care provider.

All original forms must be mailed directly to the Office of Student Health Services. Do not mail health forms to other departments. Faxed copies will not be accepted. Students are advised to keep a copy of the health form for their records. Students bringing the health form with them to campus must bring all original forms to the Office of Student Health Services. If you have any questions concerning the health form, contact the Office of Student Health Services.

Step 4: Apply for Residential Housing Deposit Payments 2012–2013

For priority placement, all applications and deposits for residential housing should be submitted by May 1. Housing is available on a first-come, first-served basis. The housing deposit of $200.00 is nonrefundable and must be sent to the Cashier's Office along with a completed housing application. We must have the housing application and the accompanying fee to process the request.

Important: You will not be permitted to move into a residence hall unless you have satisfied your financial obligations and submitted a completed health form by the published deadlines. You will receive a clearance slip from the Office of Student Accounts once your financial obligations have been satisfied with the University. You will also receive clearance from the Office of Student Health Services once your completed health form has been submitted. The Office of Admissions must grant full clearance once all enrollment steps have been completed.

Step 5: Obtain DSU Student Identification Cards (IDs)

All Delaware State University students are issued DSU ID cards. ID cards serve as keys to the residence halls and debit cards for meal plans and laundry facilities. They are used to gain access to the campus. Note: Students will have DSU ID pictures taken when they return for the start of the Project Success Program; however, they WILL NOT RECEIVE IDs until they are financially cleared and return for the fall academic term.

Step 6: Contact Public Safety (if applicable)

Cars on Campus

Commuter students must register any motor vehicle that they park or drive on University property with the Office of Public Safety, located on the first floor of the Administration Building right next door to the Cashier's Office.

Freshmen who live on campus are not permitted to have vehicles on campus. However, if you are a new freshman who plans to live on campus and you have extenuating circumstances that require the use of a vehicle, please contact Mr. Harry Downes, chief of police, at 302.857.6309.

Property Identification

If you plan to live on campus, you are welcome to register any property/valuables with the Office of Public Safety. You may do so upon moving in by contacting the Office of Public Safety at 302.857.6309.

University Housing Application and Contract

An important step in your upcoming enrollment is applying for housing and paying your housing deposit. As residence space fills, we try to match student criteria as closely as possible. Remember to apply early to increase your chances of getting your preferences. If you apply late and find that you are matched with someone who does not share your joy of mornings or that you dislike your location, don’t despair. You can submit a written request to your residence director to change your location three weeks after the term begins. Room changes are subject to space availability and will not be made on the basis of race, national origin, religious affiliation or sexual orientation. We also recommend that students—not parents—complete the application. Submission of a housing application does not guarantee assignment to a requested apartment/suite. All information on this application will be considered confidential.

A housing deposit is due with your housing application, along with a nonrefundable application fee for University halls or apartments. The housing application/contract must be signed and returned along with your deposit (and fee) to Delaware State University Office of the Cashier before being assigned to an apartment/suite or room. Upon move-in, the deposit becomes a damage/security deposit and is only refundable after the student completes his/her housing contract commitment and it has been determined that there are no outstanding charges on the student’s account. Renewal applicants may be exempt from the housing deposit if the deposit has been previously paid. Deposit amounts are as follows:

- First-Year & Warren-Franklin Hall Applicants: $200 deposit
- University Village/Courtyard Apartments Applicants: $300 deposit + $100 nonrefundable application fee (upperclassman only)

For priority placement and to secure your housing, your application should be received by May 1, 2012 for fall semester. Housing is available on a first-come, first-served basis.

Refund Deadline: The deposit is nonrefundable.

Please note: A resident of the traditional residence hall and the University Village apartments may require a laundry voucher, which is nonrefundable at the end of a semester. Cost per load: washer $1.25; dryer $1.00.

For more information, contact the Cashier’s Office at 302.857.6220.

Student Health Policy

All full-time incoming freshmen and transfer students are required to complete and return the Health Form to the Delaware State University Student Health Center on or before:

- July 15 for fall semester
- Dec. 1 for spring semester

The health form must be filled out clearly and completely with the following information:

1. Report of Medical History

- Family history
- Personal history
- Signed and dated (by student if over 18 years of age)
- Parental consent to treatment if the student is under the age of 18

2. Health Evaluation

- A completed physical exam is required
- Immunization requirements:
  - 2 measles, mumps, and rubella (MMR) vaccines or serological evidence (blood test) of your immunity; a tetanus/diphtheria (Td) booster within the last 10 years
- Tuberculosis screening (Mantoux or PPD test) within the last 6 months.
  - If the test is positive, provide a copy of the chest X-ray report. A health care provider must read the test within 2-3 days or it will have to be repeated.
- Meningitis vaccine

The original copy of the health form is required. Faxed copies will NOT be accepted. For more information, please contact Student Health Services at 302.857.6393.

ANY STUDENT FAILING TO COMPLY WITH THE HEALTH POLICY WILL NOT BE CLEARED TO MOVE INTO UNIVERSITY HOUSING AND WILL BE INELIGIBLE TO RECEIVE SERVICES AT THE STUDENT HEALTH CENTER.

Request a Roommate/Apartment Suite Mate

If you and a friend(s) want to room together, you must enter his/her name(s) on the housing application/contract in the space provided. As long as your applications/contracts arrive together, we will do our best to room you together, provided double space is available. It’s best to apply early to ensure your preferences and requests are met as closely as possible.

In all cases, all requested roommate/suite mate applications/contracts must be received within 30 days of each other and before the Feb. 1 deadline for the fall term. If you have already mailed your application/contract and then find someone you want to room with, you must notify us in writing with your requested roommate’s/suite mate’s name. We will add it to your application and do our best to accommodate your request. Requests made after the original application/contract has been submitted are more difficult to fulfill and cannot always be honored. If you change your mind about a roommate/suite mate you have listed, let us know in writing. If you request a change but have already been assigned a room/suite, you may be reassigned to a new room/hall in order to accommodate your request. Due to space limitations, roommate/suite mate requests for the fall term cannot be guaranteed.
