4. Policy and Procedure
4.1 Grade Change
Mid-semester and final grades will be issued to all students for all courses enrolled.

Final grades become a part of the students’ permanent record and are used in computing grade point averages.

Grade changes must be approved by the dean of the college or school in which the student is a major during the semester of instruction immediately following the semester the grade was issued.

Grade changes for undecided majors must be approved by the dean of the College of Arts, Humanities and Social Sciences.

A request for a change of grade, for any reason, must be made within one year following the original grade assigned by the faculty member.

Approved grade changes will be forwarded to the Office of Records and Registration for processing.

4.2 Incomplete

Incomplete coursework due to reasons clearly beyond the control of the student will yield the grade “I” (Incomplete). (No student may graduate with an “I” on his or her transcript.)

If a faculty member elects to submit an “Incomplete” the faculty member must also file with the department chairperson the student’s average grade and written description of the work which must be completed before the “Incomplete” is removed as well as the grade to be assigned if the work is not completed.

An “Incomplete” must be removed within six weeks after the beginning of the next semester.

If the student has not completed the work necessary for the removal of the “Incomplete” within the time specified, the departmental chairperson will submit the grade provided by the faculty member.

If the departmental chairperson does not submit the grade, the incomplete is automatically changed to “F”.
