The Red Cross
Intern, Life Saving Specialist
Washington, DC

The American Red Cross has an amazing opportunity available for an Intern to support the Life Saving Awards program as a Life Saving Specialist for the summer term. This position will work full-time hours from June 5, 2017 - August 11, 2017.

Job Summary: The Life Saving Specialist will be primarily responsible for identifying and executing streamlined processes for two types of prestigious Life Saving awards. The Life Saving Specialist Intern will serve as a liaison with cross functional teams to develop marketing strategy and positioning to increase award awareness both inside and outside of the American Red Cross. Other specific tasks will include tracing award requests, preparation of written citations and reviewing documentation on our intranet site and on Redcross.org (RCO). This Intern will also assist in the assessment and development of this American Red Cross program..

Qualifications
Applicants that are currently enrolled in an Undergraduate program as a rising Junior or Senior in college are preferred.
Proficient in Microsoft Office (Word, Excel and PowerPoint)
Excellent organizational and written communication skills
Must have the ability to work independently, willing to perform back office processes and learn new computer systems/applications (e.g. Salesforce)
Established background or interest in marketing is a plus.

This position may travel and participate in meetings and or conferences throughout the American Red Cross system. The primary way the intern will demonstrate progress towards achieving the learning goals will be from direct participation, special projects and observations/shadowing.

To be considered for this position, please visit www.redcross.org/jobs to apply.
The Office of Career Services recommends that student resumes and cover letters are reviewed by our team before submission to internships opportunities. For additional internship opportunities, please register online with Hire- a- Hornet power by the College Central Network (CSN): http://www.desu.edu/career-services/hire-hornet follow the steps to create an account. We encourage all seniors to begin the job search and application process in the fall. To view previous lists, visit us at www.desu.edu/career-services.

The Emma Bowen Foundation Application

The Emma Bowen Foundation is a nonprofit organization that is building a more diverse media and tech industry by recruiting promising students of color like you and placing them in multi-year paid internships at some of the nation’s leading companies.

We believe that diversity is important in all areas of the media industry and offer Fellowships that prepare students for careers in the Business of Media, Content of Media, and Innovation of Media. Whether you’re interested in being a producer, a journalist, a web developer, an engineer, a business executive, a PR agent, or in any other career in the media or tech industry, the Emma Bowen Fellowship is here to help you get your start.

You are welcome to apply for an Emma Bowen Fellowship if you:
• Are a student of color (African-American, Asian-American, Latino, or Native American)
• Are a graduating high school senior OR college student
• Have a cumulative grade point average of at least 3.0
• Are interested in pursuing a career in the media industry
• Plan to attend or are currently a student at a four-year accredited college or university
• Are a U.S. citizen or permanent resident
• Speak and write English fluently

We recruit for positions across the country – while the majority of our Fellows are placed in major markets like New York, Los Angeles, Atlanta, Miami, and the San Francisco Bay Area, we have openings in cities nationwide

Applications to the Emma Bowen Foundation Fellowship are accepted on a rolling basis. The application has a few key components:
• The EBF Online Application for Summer 2017 (link below)
• A LinkedIn Profile with Photo (click here for advice on creating your profile)
• A Short-Answer Essay of 250-500 words: Why is it important to diversify the media and tech industries?
  • Your Resume
  • Recommendation form from 1 reference

Summer 2017 Application Date - March 31, 2017
To apply go to:
http://www.emmabowenfoundation.com/application_info

**Wyndham Vacation Rentals**  
2017 Summer Hospitality Internship

We are seeking enthusiastic, energetic, customer service driven, college students, majoring in hospitality or recreation, to join ResortQuest by Wyndham Vacation Rentals for an exciting and educational summer internship! We will first consider seniors and then juniors, who are currently enrolled in a college or university hospitality program. A minimum cumulative GPA of 2.5 and previous customer service experience is preferred. Additionally, you MUST be able to attain school credit for your time with us.

Is this a paid internship? YES. We pay $12.00/hr! This is a paid internship opportunity. Expect to work at least 40 hours a week. The ability to work a flexible schedule is required. In the hospitality industry evening, weekend and holiday work is required. Any school coursework is expected to be completed on your own time. Paychecks are issued bi-weekly, however, your first paycheck may take three weeks to be issued, so you should plan your finances accordingly.

Will Wyndham Vacation Rentals help to secure housing? NO. This specific internship program requires students to be local to the Bethany Beach and surrounding areas. You are responsible for obtaining your own housing accommodations.

Will I need to provide my own transportation? YES. Transportation to and from your assignment will be the responsibility of the student just like any other job.

**Seeking a degree in Hospitality**  
Start date can be flexible during the week of May 15, 2017 thru September 9, 2017

Job Location Bethany Beach, Delaware 19930  
Expiration Date 03/31/2017  
Contact: Desirae Arana, 14 Sylvan Way, Parsippany, NJ 07054, Phone: 321-320-5617

**The Red Cross**  
Intern, Nurse Assistant Training Evaluation  
Washington, DC

The American Red Cross’s Nurse Assistant Training program makes it possible for individuals to embark on a rewarding, meaningful career that can make a difference to those in need. By combining traditional classroom instruction with hands-on experience, our Certified Nurse Assistant training program not only gives students the knowledge they need – but allows them to build the skills necessary to do the job well.

The Office of Career Services recommends that student resumes and cover letters are reviewed by our team before submission to internships opportunities. For additional internship opportunities, please register online with Hire- a- Hornet power by the College Central Network (CSN): [http://www.desu.edu/career-services/hire-hornet](http://www.desu.edu/career-services/hire-hornet) follow the steps to create an account. We encourage all seniors to begin the job search and application process in the fall. To view previous lists, visit us at [www.desu.edu/career-services](http://www.desu.edu/career-services)
The American Red Cross has an opportunity available for a summer Intern to work full-time on the Nurse Assistant Training Evaluation team in Washington, DC, from June 5, 2017 - August 11, 2017.

Job Summary: The Nurse Assistant Training Evaluation Intern will assist in the assessment and development of the national Nurse Assistant Training program. Over the summer term you will evaluate the Nurse Assistant Training (NAT) processes that were implemented in FY17 to determine if desired outcomes were achieved. This Intern will conduct research related to the program, develop evaluation tool(s), make recommendations and develop plans for process improvements, assist with the creation and/or maintenance of program plans and systems, and write a report detailing the findings and recommendations for program improvements.

Applicants that are currently enrolled in an Undergraduate program as a Senior, or rising Senior, are preferred.
Proficient in Microsoft Office (Word, Excel and PowerPoint)
Excellent organizational and written communication skills
Must have the ability to work independently, willing to perform back office processes and learn new computer systems/applications

The American Red Cross is a diverse nonprofit organization offering its employee’s professional development and growth opportunities, a competitive salary, comprehensive benefits, and a collaborative team spirit environment. To be considered for this position, please visit www.redcross.org/jobs to apply.

Philadelphia Eagles Internships

The Philadelphia Eagles offer an opportunity to learn and gain hands-on experience within a professional sports organization. The Eagles’ Internship program is an excellent first step in your professional development.

Our internships are geared to a specific department and are an opportunity to add value to the organization through your education, previous experience, and dedication. The internships are a way to significantly enhance the knowledge gained from your major while providing hands-on job experience to assist in your career development.

The internship program primarily focuses on recent college graduates looking to continue their personal and professional development.

While business needs may change season to season, we historically offer seasonal post-graduate internships in Marketing, Public Relations/Communications, Community Relations, Corporate Sales and Services, Premium Sales, Premium Services, Guest Services, Internet Services, Multimedia, Merchandise, Media Relations, Ticketing Services, and Stadium Operations.

The Office of Career Services recommends that student resumes and cover letters are reviewed by our team before submission to internships opportunities. For additional internship opportunities, please register online with Hire- a- Hornet power by the College Central Network (CSN): http://www.desu.edu/career-services/hire-hornet follow the steps to create an account. We encourage all seniors to begin the job search and application process in the fall. To view previous lists, visit us at www.desu.edu/career-services
Please note we offer very limited opportunities for semester and/or summer internship for current students. The most frequently available semester/summer internship is within our Ticketing Services department. Travel and housing arrangements are the responsibility of the intern. E-mail a cover letter and your resume to keep on file to review for future internship opportunities to InternRecruiting@eagles.nfl.com.

**Public Defender Service – District of Columbia**

Intern Investigator

The Criminal Law Internship Program (CLIP) provides a fast-paced, hands-on investigative internship for current students and graduates. Intern Investigators spend at least 12 weeks at one of the most prestigious public defender offices in the nation. Our interns don’t just sit in the office all day copying files. Partnered together, they work directly with staff attorneys to complete various investigative tasks and zealously advocate for their clients.

Full-time (40 hrs/wk) and part-time (24-32 hrs/wk) internships are available. Internships may be completed for academic credit. New internship sessions start throughout the calendar year. Please review the Informational Bulletin found on our website for specific dates.

Salary 12.00

Type of Job Paid Internship

Job Location Washington, District of Columbia 20004

Expiration Date 10/20/2017

Degrees Wanted Associates, Bachelors, Masters

Majors Wanted Any Major

Job Requirements Be prepared to upload all necessary documents. We require a cover letter, resume, and fact pattern response. We also accept references either in list-form or through recommendation letters sent directly to us. Note that the fact pattern prompt for the required essay is found within the Attachments section.

Company Name Public Defender Service for the District of Columbia

Company Description The Public Defender Service for the District of Columbia (PDS) provides and promotes quality legal representation to indigent adults and children facing a loss of liberty in the District of Columbia and thereby protects society's interest in the fair administration of justice. PDS is regarded as one of the best public defender offices in the country—local or federal. It is the benchmark by which other public defender systems often measure themselves.
