RELATED WORK EXPERIENCE:

Christiana Care Hospital, Wilmington, Delaware

August 2013- Present

Intern – HIV Program

- Provides care to patients that are HIV-positive and suffering from various mental illnesses under the direct supervision of a Licensed Clinical Social Worker.
- Provides individual and family counseling and crisis intervention for individuals suffering from a variety of mental health and substance abuse issues.
- Conducts psychosocial evaluations i.e. assessing patient's mental and physical records as well as gathering demographic information.
- Implements innovative plans for patients' discharge or problem-resolution; ensures patients receive proper medical follow-up details at the time of discharge to ensure continuity of care.

Orangeburg Consolidated School District Three, Elloree, South Carolina

August 2012 – May 2013

Social Work Intern- Student Services

- Worked with students, families, and teachers to solve problems related to student achievement and mental health.
- Provided individual, group, and family counseling to students and families under the supervision of a licensed Social Worker.
- Conducted home visits to encourage program participation with noncompliant families.
- Managed crisis situations as they arose.

South Carolina State University, Orangeburg, South Carolina

March 2011 – October 2011

Student Researcher – Social Work Department

- Aided in research on the aging/elderly population to address the topic, "Should Elderly Drivers Keep Their Keys?"
- Focused on the elderly and transportation and whether they should continue to drive once they reached a certain age level.
- Explored safety issues to determine if there should be an age number in placed to restrict the elderly from driving.
- Presented information on the topic to the Division of Motor Vehicles

Elloree Elementary, Elloree, South Carolina

May 2010- February 2011

Volunteer – Mentoring Program

- Collaborated with district professionals to devise protocols for mentoring and mediation services
- Instrumental in creating resources for staff personnel as well as network with local community-based programs for the youth in the County of Orangeburg.
