The Reserve Officer Training Corps (ROTC) provides an opportunity for college students to receive practical, hands-on leadership experience. The course teaches students to develop management, communication, and decision-making skills. Physical training and confidence-building activities (i.e. rappelling, obstacle courses) also provide a chance for students to be physically and mentally challenged. This training is ultimately designed to give the college student the necessary leadership skills and “ability to think on one’s feet” required to be an Officer in the United States Army. Students who are interested in obtaining a Bachelors or Graduate degree may enroll in ROTC. Upon contracting and successful completion of the program, students are commissioned as Officers in the United States Army.

Qualifications

- Be a citizen of the United States
- Be between the ages of 17 and 31
- Current cumulative GPA of at least 2.5 to qualify for scholarship (2.0 to qualify for entrance into the Army ROTC Program)
- Physically fit and able to pass the Army Physical Fitness Test
- Be medically qualified
- Agree to accept a commission and serve in the Army on Active Duty or in a Reserve Component (U.S. Army Reserve or Army National Guard)

* Competitive candidates for an Army ROTC Scholarship will have at least a CGPA of 3.0.

Scholarship Student Benefits

- Full Tuition/Fees
- Books: $1200 per year
- Personal spending money (stipend): $300-$500 per month during the school year

Non-Scholarship Students:

Students can participate in ROTC without a scholarship and upon contracting they will receive $350-$500 per month.
