Certified Information Systems Security Professional (CISSP)
Certified Information Systems Security Professional (CISSP) (9)
Security and Risk Management
Asset Security
Security Engineering
Communications and Network Security
Identity and Access Management
Security Assessment and Testing
Security Operations
Software Development Security
Preparing for the CISSP Exam

Front-End Developer
+ MEAN Stack
Front-End Web Developer (8)
MEAN Stack Web Developer (8)
Learning AngularJS
Using MongoDB with NodeJS and AngularJS

Front-End Web Developer + Ruby on Rails
Front-End Web Developer (6)
Ruby on Rails Web Developer (3)
Getting Started with a Static Website
Beginning Users
Advanced Users

IT Cyber Security Professional with CompTIA®+ S+
CompTIA®+ Security+ (9)
Introduction to Computer Security
Software Security
Network Security
Access Control
Auditing, Vulnerability, and Risk Assessment
Encryption and PKI
Disaster Recovery and Business Continuity
Organizational Policies and Procedures

IT Network Professional with CompTIA®+ N+
CompTIA® Network+ (8)
Computer Networking Overview
The Transport Layer
The Network Layer
Addressing
The Data Link Layer
The Physical Layer
Network Security
Network Operation and Management

Building Construction
Building Construction (12)
Building Construction & Fire Safety
Building Materials
Building Components
Trusses and Roofs
Laid
Building Drain
Walls Classification
Common Building Systems
Building Systems Prevention and Safety
Building Collapse
Building Structure Fires
Special Considerations For Fire Safety

Diesel Mechanic / Automotive Technology
Automatic Transmission & Torque (12)
Torque Converters
Automatic Transmissions
Automatic Transmission Maintenance

Brakes (4)
Truck Disc Brakes
Hydraulic Brakes and Air-over-Hydraulic Brakes Systems
ABS and EBS
Air Brake Servicing

Diesel Electrical / Electronic Systems (6)
Fundamentals of Electricity
Electronics and Computers
Batteries
Charging Systems
Cranking Systems
Chassis Electrical Circuits

Diesel Engine Fundamentals (8)
Introduction to Diesel Engines
Hand and Shop Tools Precision Tools, and Units of Measurement
Personal and Safety Awareness
History of the Heat Engine
Engine Reassembly Components
Engine Removal, Disassembly, Cleaning, Inspect, and Reassembly
Diesel Engine Performance
Chemistry and Combustion

Evolutions (20)
Engine Basics
Power
Engine-Friendly Components
Engine Lubrication Systems
Engine Cooling Systems
Engine Engineered Parts
Servicing and Maintenance
Diesel Fuel Characteristics
Fuel Subsystems
Fuel Injection Basics and Governor Principles
Inlet Hoses
Vehicle Computer Systems
ETIS and Bills
Electrical Wiring, Connectors, and Terminal, and Repair
Bosch Electronic Systems
Harmonic Diamond Logic
Paccar Engine Management Systems
Volvo and Mack Engine Management
Emissions Management
Servicing and Maintenance of Electronic Aftermarket Systems
Analysis Failure
Troubleshooting and Diagnosis

Fuel Injection Systems and Distributor Pumps (15)
Introduction Concepts
Number Systems, Operations, and Code
Logic Gates
Boolean Algebra and Logic Simplification
Combination Logic Analysis
Adders and Comparators
Encoders, Decoders, Converters, and Banking
Lighting, Flip-Flops, and Triggers
Counters
Shift Registers
Memory and Storage
Programmable Logic Devices
Sparks and Op-Amp
Fingers and Programmable Logic Software
Signal Interfacing and Processing
Computer Concepts

Delaware State University
Testing Services & Adult and Continuing Education

Data Science Fundamentals
Data Analyst

Front-End Web Developer
Front-End Web Developer (6)
HTML and CSS
JavaScrip
HTML and CSS for JavaScript
JSON
JavaScript Basics
Using Git and GitHub in Web Development

Success

Skilled Trades & Technology

Electronic Devices
Electronic Devices (16)
Introduction To Semiconductors
Diode Applications
Bi-Polar Junction Transistors
Transistor Bias Circuits
Bipolar Amplifiers
Power amplifiers
MOSFET Transistors
FET Amplifiers and Switching Circuits
Amplifier Frequency Response
Transformers
Operational Amplifier
Basic Dijkstra Circuits
Special-Purpose Op-Amp Circuits
Active Filters
OSCs

Fundamentals of Electrical Circuits DC/AC
Fundamentals of Electrical Circuits DC/AC (16)
Quantities and Units
Voltage, Current, and Resistance
Ohm’s Law, Energy, and Power
Series Circuits
Parallel Circuits
Series-Parallel Circuits
Magneto and Electromagnetic
Introduction To Alternating Current and Voltage
Alternators
Rectifiers
DC Circuits
AC Circuits
PLC Circuits and Resonance Transformers
Time Response of Active Circuits
Civil Litigation Specialist

- Civil Litigation (16)
- The Paralegal In Civil Litigation
- Client Interviews
- Client Investigations
- Organizing and Managing Civil Litigation
- Evidence
- Settlement and ADR
- Pleading, Complaint, Summons, and Service
- Responses To A Complaint
- Introduction To Discovery
- Issues In Electronic Discovery
- Interrogatories And Requests For Production
- Depositions And Other Discovery
- The Preparation Post-Discovery To Trial
- Trial
- Trial Procedure
- Enforcement of Judgments

Family Law Professional

- Family Law (16)
- Introduction To Family Law
- Parental Agreements
- Adoption
- Divorce
- Child Custody
- Child Support
- Spousal Support
- Property Division
- Separation Agreements

Law Office Technology Specialist

- Technology In The Law Office (16)
- Computer Hardware and Software
- The Internet and Electronic Mail
- Electronic Research
- Word Processing Software
- Electronic Spreadsheets
- Electronic Databases
- The Paparazzi: Office
- Office Management Software
- Case Management Software
- Electronic Discovery
- Litigation Support
- Presentation and Trial Graphics
- Electronic Courtroom
- Technology Review

Legal Assistant

- Computer Concepts (8)
- Microsoft Word, Excel, Database Management, and Networking
- Internet, Email, and Social Networking

Paralegal Professional

- Introduction to the Paralegal Profession and Law (16)
- Civil Litigation (16)
- Family Law (16)
- Real Estate Professional (16)
- Paralegal Ethics
- Paralegal Ethics
- Ethics of The Paralegal Profession
- Sources of American Law and The Court System
- Interpreting Skills
- Legal Research & Writing
- Civil Litigation and Alternative Dispute Resolution
- Administrative Law
- Criminal Law and Procedure
- Torts
- Contracts
- Property
- Family Law
- Estate Planning and Probate
- Business Organizations

Legal Writing Specialist

- Legal Research & Writing (16)
- The Basics of The Research System
- The Products of Research
- Legal Research Tools
- Finding Enacted Law
- Analyzing Enacted Law
- Finding Case Law
- Analyzing Case Law
- Finding The Law
- Secondary Sources
- Making Comparisons
- Finding Current Law
- Preparing To Present The Results
- Producing A Case Brief
- Producing An Internal Memorandum of Law
- Other Legal Documents

Real Estate Professional

- Real Estate Practice
- Listings and Listing Agreements
- Real Estate Disclosure
- Elements and Components of The Agreement of Sale
- Misconstrued Agreements of Sale
- Conditions, Contingencies, and Other Qualifications To Agreements of Sale
- Title
- Deeds
- Mortgage Documents and Products
- Mortgage Applications and Commitment
- Closing Preparations and Documentation
- Conducting A Closing and Settlement
- Leases
- Resolving Disputes In Real Estate
- Foreclosure

Tort Law Specialist

- Tort Law (16)
- Tort Law (16)
- Tort Law (16)
- Negligence
- Torts
- Intentional Torts
- Defenses To Intentional Torts
- Premises and Business Related Torts

- Immunity and Privilege
- Doctrine of Vicinage
- Strict Liability
- Product Liability
- Vicarious Liability
- Premises Liability

Wills, Trusts & Estates Specialist

- Wills, Trusts, and Estates (16)
- Overview of Estate Planning
- Inheritance Taxation
- Basic Estate Planning and The Will
- Power of Attorney, Power of Attorney Health Care, and Living Will
- Drafting, Execution, and Storage of Basic Wills
- Trusts
- Tips For Drafting Trusts
- Overview of Estate Administration
- Issuance of Letters of Appointment
- Inventory and Appraisal
- Creditors’ Claims
- The Law As It Relates To Wills, Trusts, and Estates
- Estate, Inheritance, and Fiduciary Taxes
- Final Accounting and Estate Closing
- Additional Estate Administration Procedure

Photography Entrepreneur

- Photography Entrepreneur (17)
- Photography Professional (16)
- Adobe Photoshop

Delaware State University

Testing Services & Adult and Continuing Education
