Delaware State University
Homecoming
Gratitude Reception

Thursday, October 21, 2021
5 p.m.
FOR 130 YEARS, Delaware State University has been there to help our students transform their life trajectories for themselves, their families, and their communities.

Delaware State University was once again ranked as the nation’s #3 public HBCU by US News & World Report, Top 10 in the Nation, and the top 1% of its Social Mobility Index for all colleges and universities in the United States. In addition, as you know, we are the nation’s #1 provider of professional pilots of color and Delaware’s #1 provider of teachers, nurses, social workers, and accountants of color.

Earlier this year, we launched “The Power of We” campaign to highlight that each of us matters in shaping our young people’s lives and that we can achieve new heights if we act with unity of purpose. With this in mind, tonight, we welcome Wesley College legacy donors to the DSU family.

Our donors understand the commitment required to lift our young people. You entrust us with your precious resources, and you recognize the benefits of your investment. The Power of We shines through the stories of each of you, and we are grateful for your continued commitment.

It All Matters,

Dr. Vita Pickrum
President, Delaware State University Foundation
